Bill,

Attached is the response to your FOIA request dated December 3, 2012. We provided the index to the Site File, with a brief explanation that it contains some documents that may be part of the administrative record index for the LPRSA. The administrative record for remedial action for the lower eight miles would be formally compiled when we are getting to the point of issuing a decision document. If you have any questions about this, please let me know.

Regards
-Sarah
